

WINE into H<sub>2</sub>O

# Monde eau

RIESLING 2015

## TASTING NOTES

With great aromas of green melon, stone fruits, and lemon grass on the nose, this wine is very aromatic and pleasant. Driven by bright acidity that is balanced by flavors of apricot, green melon, and nectarine highlights on the palate, these flavors lead into a nice touch of minerality that lingers on the semi-dry finish.

## BLEND INFO

### **100% Organic Riesling**

80% Badger Mountain Estate Vineyard Riesling,  
Columbia Valley  
20% Areté Vineyard Riesling, Wahluke Slope

## WINEMAKER NOTES

This classic off-dry style Riesling is a style that perfectly reflects the delicate flavors of the grape that is grown in WA State. We harvest in the cool of the night, which allows the fruit to be delivered in optimum condition. All of the lots were fermented in upright stainless steel tanks with Elegance yeast.

## WATER CHARITY INFORMATION

charity: water is a non-profit organization that gives 100% of the money raised directly to project costs, funding sustainable clean water solutions in areas of greatest need. Monde eau Wines and our distributor partners will make a donation from the profits of our sales to charity: water to fund projects in developing countries, providing permanent access to safe water. Please visit our website for more information.
